The title 'Godalming in Bloom' is presented in a decorative, stylized font. 'Godalming' is in a green, cursive-like font with a white outline, while 'in' is smaller and 'Bloom' is in a bold red font with a white outline. The text is surrounded by various nature-themed illustrations: a purple flower, a blue butterfly, a red bee, a hedgehog, a bumblebee, and two orange butterflies, all set against a green vine with leaves.
